WHY SPAY OR NEUTER?

Reducing overpopulation
means that ***all*** pets are
wanted pets!

Pets that are spayed or
neutered enjoy longer,
healthier lives!

- ✓ Lowers risk of certain
cancers and infections
- ✓ Reduces problem
behaviors like indoor
spraying
- ✓ Prevents unwanted
litters

**Humane Society of
Schuylar County's
Spay/Neuter Clinic
has treated more than
21,000 dogs or cats!**

DID YOU KNOW...

CATS: Over a lifetime, 1 cat and its offspring can produce over 2 million kittens!

DOGS: Over a lifetime, 1 dog and their offspring can produce more than 67,000 puppies!
